

Agenda

Photovoltaic Equipment

Event PV Total Cost of Ownership Workshop

Date September 27, 2022
Time 2:00pm – 6:30pm CEST
Location World Conference on Photovoltaic Conversion (WCPEC)
Room Orange 1
Via Gattamelata, Gate 14, Milano

2:00 – 2:05 pm Welcoming introduction and motivation

Dr. Jutta Trube and Dr. Puzant Baliozian
(VDMA Photovoltaic Equipment, Germany)

2:05 – 3:05 pm Modelling methods and results for the Total Cost of Ownership (TCO) calculation across the solar PV value chain

- Dr. Sebastian Nold
(Fraunhofer Institute for Solar Energy Systems, Germany)
- Dr. Michael Woodhouse
(National Renewable Energy Laboratory, USA)

3:05 – 3:55 pm Discussion topics

- Data aggregation approaches for calculations
- Tandem and multijunction cell and module cost modelling approaches

3:55 – 4:00 pm Sum up and outlook

Program modifications reserved
