

Titel

Panel Discussion: Managing ESG requirements in daily business

Federica Giachetti

President

Morgan Tecnica

Italy

Biography

Federica Giachetti, while she was still studying law at the University of Milan, in 1989 joined the company IMA SPA, started by her father Franco Giachetti, and operating in the cutting room equipment for apparel industry. In 2008 she co-founded MorganTecnica Spa, together with her brother Fabrizio Giachetti (CEO), and she has been president of the company ever since. Today, Morgan Tecnica Spa is Italy's leading innovative technology company in the cutting room, for the fashion, furniture and automotive industry and among the top 3 in the world. Federica personally oversees the software division of Morgan, supervising the development of Mastermind (Cut Order Planning solution) and CAD projects. Federica firmly believes in the importance of sustainability in everyday action and behavior, as individuals as well as industrial players, with highest attention to environment and social respect.

Company Profile

MorganTecnica is an Italian company founded in 2008 by Fabrizio and Federica Giachetti, in collaboration with their father Franco, who was one of the top expert in the cutting room technology. Over the years, the company has grown into a multinational group with a global presence, while maintaining its commitment to research and development, as well as keeping its entire production process "Made in Italy." With 16 years of history, MorganTecnica has emerged as a leader in the apparel industry, as well as in the furniture and automotive sectors, being number one player in Italy and among the top 3 in the world. Morgan offers the widest range of machinery and software solutions for the entire process, from designing to cutting, and its innovative technology is exported worldwide to the apparel, furniture, and automotive companies seeking better organization, efficiency, and competitiveness. The team of researchers is dedicated to designing advanced, integrated and modular solutions suitable for both large multinational corporations and small family businesses, in more than 40 countries, through a network of branches and distributors. Morgan direct branches are located in India (Bangalore), Canada (Montreal), California – USA (Los Angeles), Hong Kong and Vietnam (Ho Chi Min City).
