1st VDMA Management Meeting Process Technology Russia
16 September 2019, 16:00 – 17:30, KHIMIA Exhibition Moscow

Dear Process Technology Expert!

We cordially invite you to the **1st VDMA Management Meeting Process Technology Russia** organized for the participants of the Official German Pavilion at the KHIMIA 2019 exhibition in Moscow.

The VDMA Management Meeting is intended for Managing Directors / CEOs and Senior Managers from Russia and Germany. Our process technology expert, Dr. Frank Wohnsland from VDMA Frankfurt, and Sven Flasshoff, Director VDMA Russia, will present the latest export data for plant engineering and equipment to and from Russia and discuss with you the current market developments and related sector topics. All fields of process industry are considered, such as chemical, petrochemical and pharmaceutical industry as well as water treatment. Since the meeting is held on the occasion of the KHIMIA exhibition, particular emphasis will be given to process and plant engineering for chemical industry. Each participant is kindly requested to deliver a 3-minutes statement on the current market situation. We expect some 20+ participants and would be honored of your presence! Please find enclosed the agenda and the registration form.

The meeting will take place at the **KHIMIA 2019 Exhibition grounds (room to be confirmed)** on 16 September 2019, 16:00 – 17:30 hours. The meeting language will be English. Please register [online here](#).

For any enquiry please contact us at VDMA in Frankfurt (frank.wohnsland@vdma.org; Phone +49 69 6603-1393) or at VDMA in Moscow (sven.flasshoff@vdma.ru; Phone +7 499 418 03 71).

With best regards,

Sven Flasshoff
