

Titel

**Keynote: A 360 Degree View on sustainability -
how Siemens drives the Transformation**

Judith Wiese

Chief People and Sustainability Officer (CPSO)
Member of the Managing Board of Siemens AG and Labor Director
Siemens
Germany

Biography

Judith Wiese has been a member of the Managing Board of Siemens AG since October 1, 2020. She is the Chief People and Sustainability Officer as well as Labor Director for Siemens AG. In addition, Judith is responsible for Global Business Services (GBS) as well as for the regions Latin America, the Nordics and the countries Spain, Portugal and the Netherlands.

Judith has more than two decades of international experience in various People & Organization roles. From 2017 to 2020, she was Chief Human Resources Officer at DSM, a Dutch company specializing in health, nutrition, and sustainable living. Before that, she worked for the U.S. food company Mars Inc., most recently as Senior Vice President People & Organization.

Company Profile

Siemens technology empowers customers to transform the industries that form the backbone of economies: industry, transportation, buildings and grids. Our solutions accelerate the digital transformation of multiple industries, to scale sustainability impact. Our strategy is geared to the long term. It is aligned to the megatrends: environmental change, glocalization, urbanization, demographic change and digitalization. Only through sustainable growth can we jointly improve the quality of life and transform the everyday of billions of people worldwide.
