

Program / Agenda

Wednesday, 13 November 2019

17:30 – 18:45

Vor- programm	<p>Future of Cash</p> <p>Presentation given by Mr. Dipl.-Ing. J. Schaede of KBA-NotaSys SA.</p> <p>As the ATMs are one of the main market fields of the secure storage industry the future of cash is of high importance for ESSA members.</p> <p>KBA-NotaSys is the leading provider of high security printing solutions above all for banknotes. In addition, they are supporting the central banks in developing new security features for cash.</p> <p>The lecture will present the current and future developments on cash in Europe and worldwide.</p>
--------------------------	---

19:00 – 23:00

**Dinner at Frankfurter Golfclub
(Meeting Point at the VDMA-House at 18:45)**

Thursday, 14 November 2019

09:00 – 14:00

TOP 1	Ordinary General Assembly, Part 1	
TOP 1.1	Official welcome	
TOP 1.2	Cash report 2018 / Budget 2019	
TOP 1.3	Formal approval of the Executive Committee and the Management for the business year 2018	
TOP 1.4	Election of the auditors	
TOP 1.5	Activity reports	
TOP 2	Workshops	
parallel		
Workshop in English – with translation		Workshop in English – without Translation
TOP 2a Exchange of experience on the new EN 1143-1 The EN 1143-1:2019 (Standard for safes, ATM safes, strong room doors and walls) was officially put into force by CEN on 17 April 2019. During the workshop the new tools will be presented in greater detail. In addition, the members shall participate by reporting their experience with the new "T2 tool list".		TOP 2b ESSA Future tasks First the workshop will present the current developments on distributed systems, smart devices and biometrics. In addition, we would like to discuss and coordinate a concept of the industry for communicating with the public and other interest groups. The third part of the workshop will include a discussion with the participants on the marketing activities 2020.
TOP 3	Ordinary General Assembly, Part 2	
TOP 3.1	ESSA International Leadership Award	
TOP 3.2	security essen exhibition 2020	
TOP 3.3	Presentation of ESSA satisfaction analysis 2019	

TOP 3.4	European Standardisation
TOP 3.4.1	CEN/TC 263/WG 1 – Burglary resistance
TOP 3.4.2	CEN/TC 263/WG 2 – Fire resistance
TOP 3.4.3	CEN/TC 263/WG 3 – High security locks
TOP 3.4.4	CEN/TC 33/WG 7 – Burglar resistant hardware
TOP 3.5	SECOTA From March to May 2019 six bodies have taken part in the SECOTA comparison test. The results of the test will be presented.
TOP 3.6	Hazardous substances in secure storage units Often, we receive enquires regarding hazardous substances in secure storage units. Especially, in cases where the storage unit is produced by manufacturers without any legal successor, it is often difficult to know, if a hazardous substance is used. During the presentation examples will be mentioned which for instance use asbestos and a " <i>FuP study</i> " regarding asbestos in safes of 1991 will be presented. In addition, the participants can involve themselves by naming other examples also to other hazardous substances. With the data received during the workshop the association will create an "ESSA statement", which can be used by manufacturers, distributors and service technicians.
TOP 3.7	European Certification Body GmbH Which issues shall ECB improve in the future from a customer perspective?
TOP 3.8	General Assembly 2020

Organisation
