## Join from the Session ID (b)

If you don't have the Join URL or are having trouble being automatically launched into session, you can join by manually entering the Session ID. This will also be included in the session invitation (shown as (b) above).

- **If you are on a computer**, open a web browser (Chrome preferred) and go to [www.gotomeeting.com/webinar/join-webinar](http://www.gotomeeting.com/webinar/join-webinar) and enter the Meeting ID.

- **If you are on a mobile device**, first download the iOS, Android or Windows Phone app. Then open the app and enter the Meeting ID.
- **If you are on a computer and have the desktop app installed**, you can also join directly by right-clicking the daisy icon in the system tray (Windows) or toolbar (Mac), selecting **Join** and entering the Meeting ID.

## Compare join methods

When you join a webinar, there are 3 unique methods with which you can be launched into session. They will vary depending on things like operating system and browser type.
